

50 000-watt peak power inverter

Overview

How do I Choose an inverter?

The inverter is designed to momentarily provide the rated high demand (e.g., surge power) before returning to the inverter's continuous power rating. When selecting an inverter, ensure that the total power needed for all devices to be connected to the inverter is below the continuous (first) power rating of the inverter.

What is an off-grid back-up power inverter?

This off-grid, back up power inverter is perfect for businesses, large homes, farms or other applications that require huge amounts of back-up power. The 50kw unit has a large DC input range allowing you to create your own DC input source such as solar, wind, hydro and deep cycle batteries.

What is a power inverter used for?

This power inverter lets you run power tools, small appliances and electronics during a camping trip, roadside stop or power outage by using your vehicle's battery. This power inverter features a high surge capacity for products that require power up to 10,000 watts to start and an LED readout to monitor amps and voltage. Not for marine use.

What is the aims 50kW 3 phase power inverter charger?

Introducing the NEW AIMS 50kw 3 phase power inverter charger. This off-grid, back up power inverter is perfect for businesses, large homes, farms or other applications that require huge amounts of back-up power.

Where can I buy a Sunny Tripower inverter?

SMA Sunny TriPower 50kW Grid-Tie 3-Phase Inverter for Commercial Applications - with Integrated AC and DC Disconnect - CORE1 50-US-41 • EcoDirect.com sells SMA at the lowest cost. Order Online or Call Us! 888-899-3509.

Can a power inverter be used for marine use?

This power inverter features a high surge capacity for products that require power up to 10,000 watts to start and an LED readout to monitor amps and voltage. Not for marine use. Use only with 12v deep cycle lead-acid batteries rated for RV use. To preserve battery life do not discharge battery below 50% charged state.

50 000-watt peak power inverter

[3000 Watt Continuous/6000 Watt Peak Pure Sine ...](#)

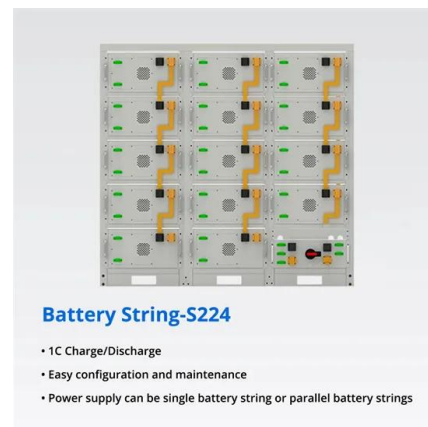

The JUPITER PURE(TM) 3000 Watt Pure Sine Wave Power Inverter delivers clean power free of interference, making it safe for your most sensitive electronics. ...
