

Overview

Who makes the most bankable inverter?

Sungrow Power Supply Co., Ltd. ("Sungrow") is the world's most bankable inverter brand with over 405 GW installed worldwide as of June 2023.

How much power does Azerbaijan's 308mwp project produce?

Accordingly, the 308MWp project covers an area of about 5.5 million square meters in the Gobustan District, about 60 kilometers southwest of Baku, the capital of Azerbaijan. It will produce 500 million kilowatt-hours of power annually once operational.

What types of solar installations do you offer?

Let us know your energy need and we will find the solution. Solar pumping, floating solar, off-grid on-grid, mobile installations and also solar thermal installations. We have done a large variety of projects through the years [Learn More](#)
