

Bahrain foldable photovoltaic panel manufacturer

Overview

Where is the new Bahraini solar factory located?

The new Bahraini factory is located in the Bahrain International Investment Zone on an area of 4 thousand square meters where they will produce more than 80000 solar panels per year, while it will contribute to creating 50 jobs as well as attracting more Investments to Bahrain and possibly to other Gulf Cooperation Council countries.

Why is Bahrain launching a solar panel factory?

Mr Rabiha Abdullah said that the factory provides solar panels for new projects of the public and private sectors, indicating that the project will produce panels for the Kingdom of Bahrain and the Gulf Cooperation Council countries, especially that the Gulf region is on the verge of using renewable energy.

Does Bahrain have solar irradiation?

Bahrain is a land with a very high solar irradiation which has lately moved the focus on solar photovoltaic energy development, a topic that Solartecc Green Energy did not miss.
