

Belgium exports photovoltaic modules

Overview

Why should you choose Belga solar?

Belga Solar offers the most efficient, reliable, and sustainable photovoltaic solution on the market. YEARS! WHY CHOOSE BELGA SOLAR?

At Belga Solar, we offer you more than just solar panels; we provide a complete energy solution.

Why should a Belgian solar company attend intersolution?

With over 150 exhibitors and thousands of visitors, InterSolution provides a unique platform for networking, knowledge exchange, and discovering new market trends. It's an excellent opportunity for Belgian solar companies to strengthen their industry presence and explore innovative products and services.

Why did evocells invest in solar panel testing machines?

Evocells invested in solar panel testing machines (Flash Test and Electroluminescence Test), and found that the quality was not up to scratch. both in terms of real power and the internal and external quality of the panels. It was therefore important to provide a more reliable and sustainable photovoltaic solution to Belgian customers.

Who is solution by Sun (Belgique)?

Solution By Sun (Belgique) Solution By Sun (Belgique) is a private company based in Blegny, Wallonia, Belgium, founded in 2019. The firm specializes in solar energy solutions, focusing on the installation of photovoltaic solar panels.

How many MWp does 7C solarparken have in Belgium?

The company has established a portfolio that includes 42 MWP capacity in Belgium, showcasing its ability to execute projects effectively. Their

operations are supported by a strong foundation of expertise gained from their parent company, 7C Solarparken AG, which has a broader portfolio of 420 MWP across Europe.

How many photovoltaic panels does evocells make?

Judge for yourself: In 2012, Evocells manufactured 2,000 photovoltaic panels, 16,000 in 2018, and more than 30,000 premium-quality photovoltaic panels will leave our new Baillonville plant in 2022. In 2014, Evocells had a staff of three. Today, a multidisciplinary team of more than 25 people operates in our factory in Marche-En-Famenne.
