

# **Brunei energy storage product supplier**

## Overview

---

Who owns Brunei energy services & trading (best)?

Brunei Energy Services and Trading (BEST) is the national oil company owned by the Brunei government. The company was granted all mineral rights in eight prime onshore and offshore petroleum blocks totaling 20,552 sq. km. PB manages contracts with Shell and Petronas, which are exploring Brunei's onshore and deep-water offshore blocks.

Is Brunei an oil platform?

An oil platform in Brunei. The Southeast Asian nation of Brunei has a small but prosperous economy. The country's industrial sector accounts for 63.1% of the national GDP, and the economy is heavily dependent on the export of crude oil and natural gas.

Who owns the oil and gas industry in Brunei?

Brunei's oil and gas industry is dominated by the Brunei Shell Petroleum (BSP), which is owned equally by the government and the Royal Dutch Shell plc. BSP also owns the country's only refinery. With a production capacity of 10,000 barrels per day, the refinery produces sufficient oil to cater to the domestic oil demands in Brunei.

Who are our clients in Brunei?

Most of our clients are prominent Oil & Gas and Petrochemical Operators as well as Consultants in Brunei. Our company and Personnel have established good relationship and constantly maintain good communication with our clients to understand their needs and provide solutions to their problems.
