

Burkina Faso to build battery energy storage company

Overview

The government of Burkina Faso recently reached a public-private partnership with the Dutch company Gutami Holdings to jointly develop and construct a 150 megawatt solar photovoltaic power generation project, and to build a 50 megawatt hour battery energy storage system.

Burkina Faso to build battery energy storage company

alaninvest.pl

The solar power plant, equipped with a battery electricity storage system, will be built in 15 months. After that, it is expected to stabilize energy security at the airport while increasing the ...
