

Buy an outdoor power supply or an inverter

Overview

Which Power Inverter should I buy?

The POTEK 500W is an ideal option for buyers looking at car-friendly power inverters to power a slew of electronics and handheld devices. This inverter and its dual 110V AC outlets and two USB ports will have no problem keeping a laptop, Kindle, iPad, or multiple smartphones going with power to spare.

How much power does an Inverter Supply?

The inverter supplies 2000 watts of continuous power, enough to run multiple appliances, with the capacity to run sensitive devices like dimmer switches and plasma TVs. The charger uses a 5-stage smart charging system to speed up charging and protect your battery.

Who is the inverter store?

In fact, The Inverter Store has been selling power products for more than 20 years, and our staff has more than 50 years combined experience in solar and power products. That deep level of knowledge is something you just won't find when you buy from other stores. We're Here to Help You.

Are there any online inverter battery stores?

While there are other online inverter battery stores and solar products stores out there, few have the long-running track record that we do. In fact, The Inverter Store has been selling power products for more than 20 years, and our staff has more than 50 years combined experience in solar and power products.

Why should you choose the inverter store?

Why The Inverter Store When you need power products you can rely on, The Inverter Store is the best place to turn to. With decades of experience and superior custom service, we offer a friendly and knowledgeable approach that makes it easier to find the perfect fit for any situation.
