

China-Europe independent energy storage project

Overview

They are part of the Minety Battery Storage Project, which is the largest battery energy storage project by capacity in Europe. The project is financed and built by China Huaneng Group Co., Ltd. (China Huaneng).

China-Europe independent energy storage project

China Huaneng builds Europe's largest battery energy storage project

With an installed capacity of 99.8 megawatts, the Minety Battery Storage Project started construction in December 2019 and commenced commercial operation in July 2021. All ...
