

Customization of imported lithium battery packs

Overview

Can Lithium Werks make a custom battery pack?

Lithium Werks' patented Nanophosphate® battery technology (designed by MIT and A123) can be used in your custom modules. We can design and manufacture custom battery packs using lithium iron phosphate (LFP) cells for your power or energy application. Robust cylindrical, prismatic, or pouch cells can be produced for your pack.

What is a custom battery pack assembly service?

CMB's custom battery pack assembly services involve evaluating battery chemistries, casing design, and management systems based on customer needs. The process encompasses basic and advanced lithium battery pack design features, each tailored to meet specific requirements.

What is a custom LiFePO4 battery pack?

Our custom LiFePO4 battery packs are made in cylindrical and prismatic formats. LiPo batteries allow for greater flexibility and ensure the perfect fit for vehicles, machinery, and other various devices with unusual dimensions and weight requirements. Why Choose CMB As Your Custom Battery Pack Manufacturer?

What is a customized battery pack?

Our customized battery packs are designed to provide reliable and efficient power 'storage for various industries and applications. By leveraging our customized battery packs, you can optimize your GPU's performance while maintaining portability and flexibility.

Can Lithium Werks provide a battery management system (BMS)?

Lithium Werks can provide modules and packs with BMS (Battery Management Systems) to monitor, control and communicate with your devices or configure the modules to accept off-the-shelf BMS products. Lithium Werks builds

custom battery packs and modules using lithium iron phosphate LFP batteries.

What is a lithium ion battery?

Lithium Werks builds custom battery packs and modules using lithium iron phosphate LFP batteries. Lithium ion provides power, safety, and life to your application.

Customization of imported lithium battery packs

Custom Battery Singapore & Malaysia

Looking for custom battery in Singapore & Malaysia? We provide 1 year warranty on all our batteries. We specialize in designing and manufacturing tailor-made battery solutions.
