

Egypt s largest battery energy storage project

Overview

Cairo, Egypt – In a historic move for North Africa’s energy sector, AMEA Power has successfully commissioned Egypt’s first-ever utility-scale Battery Energy Storage System (BESS) —a 300 MWh facility integrated with its 500 MW Solar PV plant in the Aswan Governorate.

Egypt s largest battery energy storage project

Egypt signs letter of intent to join Battery Energy Storage Systems

CAIRO - 3 December 2023: Egypt signed a letter of intent to join the Battery Energy Storage Systems Alliance (BESS), which is one of the main initiatives of the Global Energy Alliance for ...
