

Energy storage battery projects under construction in Asia

Overview

Search all the ongoing (work-in-progress) battery energy storage system (BESS) projects, bids, RFPs, ICBs, tenders, government contracts, and awards in Asia-Pacific (APAC) Region with our comprehensive online database.

Energy storage battery projects under construction in Asia

Southeast Asia's biggest BESS officially opened in Singapore

Singapore has surpassed its 2025 energy storage deployment target three years early, with the official opening of the biggest battery storage project in Southeast Asia.
