

# Energy storage prices in South Sudan

## Overview

---

How much did oil cost in South Sudan?

When South Sudan gained independence, the two countries negotiated a fixed fee for each barrel of oil produced. The total fee was set at about US\$25 per barrel. At this time, the oil price was about \$100 per barrel. This was sufficient for the country to make a healthy profit from oil production.

What is the price of electricity in Sudan?

Sudan, September 2022: The price of electricity is 0.009 U.S. Dollar per kWh for households and 0.045 U.S. Dollar for businesses which includes all components of the electricity bill such as the cost of power, distribution and taxes.

What is a solar power plant in South Sudan?
