

Hungarian solar photovoltaic and energy storage integrated machine manufacturer

Overview

Who is solar & solar wholesale group?

Solar & Solar Wholesale Group is one of the fastest growing distributor of PV modules, inverters, energy storage and electrical components in Central Europe. We operate in 5 markets, offering solar components only from the best brands. Our 4 logistics centers in Europe enable quick and affordable delivery to our partners.

Who is Solar & Solar Ltd?

Solar&Solar Ltd stands at the forefront of the solar industry as the premier operator of two distinct solar wholesale webshops, catering to both Hungary's specific market needs and the broader European solar energy sector.

Who is greensolar?

Our company was established in 2009. With a stable background we are currently interested in the field of developing photovoltaic power plant projects and we are distributors of solar panels to supply EPC and solar installer companies. Greensolar Ltd. was established in Hungary by Beijing Sevenstar Science and Technology Co. Ltd.

Who is greensolar Equipment Manufacturing Ltd?

Greensolar Equipment Manufacturing Ltd. is active on the industrial fields of photovoltaics and having vast experience of renewable energies and related solutions. Our company was established in 2009.
