

Industrial Outdoor Communication Power Supply BESS

Overview

What is a Bess energy storage system?

We offer energy storage systems of 50kWh~1MWh, used for commercial and industrial applications. BESS provides a wide range of technical, economic, and environmental benefits, making it a key enabler of the transition to a cleaner, more resilient, and efficient energy system.

Is C&I Bess a good battery storage provider?

Product Description As a trusted lithium energy storage provider, our Outdoor C&I BESS offers unmatched safety and reliability. Its LFP lithium-ion technology ensures high performance for commercial lithium battery storage, with advanced safety features like pressure relief and fire protection.

What is Bess & why is it important?

BESS plays a critical role in modern energy systems, enabling the transition to cleaner energy and smarter grids. It offers energy ranging from 50kWh to 1MWh and covers most of the commercial and industrial application scenarios, such as load shifting, renewable clipping, and back-up power, etc.

What is C&I Bess?

Our C&I BESS Solution uses patented LFP lithium-ion technology, delivering dependable commercial lithium battery storage with pressure relief and fire protection features tailored for tough outdoor conditions.

What certifications does our outdoor energy storage system meet?

Our outdoor energy storage system meets rigorous international standards, including GB/T 36558, IEC 62933, UL1973, and UL9540A. These certifications ensure top-tier safety and performance, making it a trusted option for battery technology for industrial use and commercial energy needs. Do not hesitate and fill the request form.

How does C&I Bess reduce electricity costs?

C&I BESS cabinet reduce electricity costs by leveraging peak-valley electricity price arbitrage, improving renewable energy utilization, and participating in demand response programs. What are the payment terms?

Sample order: 100% payment before shipment; Bulk order: 30% deposit before production, 70% balance before shipment.
