

Kazakhstan builds energy storage base station

Overview

Kazakhstan's Samruk Energy announced on Monday the signing of a joint venture agreement with China International Water and Electric Corporation (CWE) to build the first pumped storage power plant in Kazakhstan, Kazinform News Agency correspondent reports. Where is Envision Energy building a wind turbine in Kazakhstan?

Officials from Envision among others during the ground-breaking ceremony for turbine facility in Kazakhstan. Credit: Envision Energy / PRNewswire. Envision Energy, in collaboration with Kazakhstan Utility Systems, has started construction of a new wind turbine and energy storage manufacturing facility in Khorgos, Kazakhstan.

Is envision partnering with Kazakhstan utility systems?

Last month, an agreement was signed between Envision and Kazakhstan Utility Systems to establish local manufacturing capabilities for wind turbines and energy storage systems. Kazakhstan Power Market Size and Trends by Installed Capacity, Gene.

Why should Kazakhstan collaborate with Envision Energy?

Kazakhstan Utility Systems supervisory board chairman Dinmukhamet Idrisov said: "Collaboration with Envision Energy opens unique opportunities for Kazakhstan in developing renewable energy and localizing high-tech production.
