

# **Ranking of UK telecommunications base station companies**

## Overview

---

Why is the UK's telecom market so important?

The UK's telecom market stands as one of the largest and most dynamic in Europe, driven by intense competition that has continually lowered prices for consumers while improving service quality.

Who is TalkTalk Telecom Group?

TalkTalk Telecom Group is a UK-based company engaged in broadband and fixed-line voice & telecom businesses. TalkTalk Business is a B2B division of the TalkTalk Group, providing telecom and broadband solutions for businesses of all sizes. Annual Revenue: £1,557 million Nr. of employees: 2.077 Headquarters: Salford, England 7. Three (3).

Is AT&T a telecommunications company?

It is the world's fourth-largest telecommunications company by revenue and the largest wireless carrier in the US. In March 2023, AT&T announced that it would be expanding its 5G and fibre network to better connect both urban and rural communities worldwide.

What technologies are used in quantum-secured communications?

KETS has developed a range of technologies for quantum-secured communications, including quantum key distribution (QKD) and quantum random number generation (QRNG). Our devices are based on integrated photonic technologies leading to miniaturisation, cost-effective manufacture, and complex functionality.
