

South Sudan Power Plant Energy Storage Equipment Manufacturer

Overview

South Sudan's Ministry of Energy and Dams has chosen Egyptian manufacturer El Sewedy Electric to build the country's first large scale PV power project. The African Export-Import Bank is financing the \$45 million project, which will include a 20 MW solar park coupled with a 35 MWh storage system.

South Sudan Power Plant Energy Storage Equipment Manufacturer

Power Generation Equipment Manufacturers South Sudan, Power ...

Power Generation Equipment Manufacturers in South Sudan- We are leading Power Generation Equipment Manufacturers in South Sudan, Power Generation Equipment Suppliers and ...
