

Syria Photovoltaic Power Generation and Energy Storage Operation Project

Overview

In July 2025, the Energy Ministry signed a memorandum of understanding (MoU) with US-based 20Solar Energy to develop 200 MW of solar PV capacity, including 100 MW of conventional solar and 100 MW of solar-plus-storage projects (see Syria Seeks Solar Energy; Ropes In US Company For 200 MW).

Syria Photovoltaic Power Generation and Energy Storage Operation

Ministry of Energy of the Syrian Arab Republic and ACWA Power ...

Under the agreement, ACWA Power will work with the ministry of energy in Syria to identify suitable locations for the contemplated projects -- targeting the development of approximately ...
