

Tajikistan s new energy storage investment plan

Overview

What is the minimum investment amount in Tajikistan?

The minimum investment amount for starting a business in Tajikistan, according to practice, is 10 000 USD as the minimal amount of charter capital for a newly establishing company with foreign capital. Tajik Legislation does not provide this information explicitly. How can I raise finance?

.

What are the laws of Tajikistan?

To stimulate the investment flow and create the most favorable investment environment Tajikistan has adopted several laws as “On Investment Agreements”, “On Concessions”, “On Public Private Partnership”, “On Privatization of State Property of the Republic of Tajikistan”, “On Production Sharing Agreements”, “On Free Economic Zones”, and “On Credit Histories”.

How much power does Sangtuda hpp-2 provide in Tajikistan?

Up to present date, the station provides up to 11% of the total power generation in Tajikistan. The construction of Sangtuda HPP-2 officially began in 2006. For the construction of the facility, the Iranian company Sangob allocated US\$ 318.9 million, the share of the Tajik side was US\$ 40 million. The plant was launched in September 2014.
