

The best outdoor power supplies in Bolivia

Overview

Do device plugs work in Bolivia?

North Americans device plugs may not work with all outlet types in Bolivia. Also, a transformer is required as the voltage in Bolivia may be different from Europe. Please note: an adapter will be needed if your device plug has a grounding pin and you are trying to use a Type A outlet.

What type of plug do I need for a Bolivian power socket?

In Bolivia the power sockets used either accept a flat blade ungrounded plug (Type A) or a two-pronged ungrounded plug (Type C): If your plug has a different shape to the above, you will need to purchase a plug adapter.

Do North Americans need an adapter if traveling to Bolivia?

No! North Americans may need an adapter for the outlets when traveling to Bolivia. North Americans device plugs may not work with all outlet types in Bolivia. Also, a transformer is required as the voltage in Bolivia may be different from Europe.

What are the best places to visit in Bolivia?

Must visit destinations and attractions: Salar de Uyuni, Death Road, La Paz, Sucre, Copacabana, Isla del Sol, Madidi National Park. Best travel company: Bolivia Hop, #1 rated on Tripadvisor as the best way to travel in Bolivia. Use FindLocalTrips for information and tours in all of Bolivia. More info here.

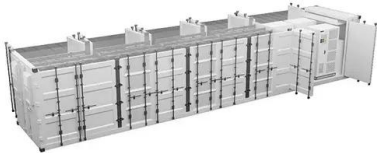

How do I know if my device is compatible in Bolivia?

To check whether your device is compatible or not, check the label of your appliance. In the case of a laptop or phone, check the small box attached to the charger plug. If it states 'INPUT: 100-240V, 50/60 Hz', it is a multi-voltage device and can be used in Bolivia.
