Integration

Overview

What is a Togo power 500W portable power station?

Togo POWER 500W portable power station provides stable power to a wide range of AC powered devices from TVs, projectors to small blenders, a pellet smoker, etc. which are rated under 500 watts.

Who is Togo power?

In 2019, Togo POWER was established in Los Angeles. Before this, we have been deeply involved in the new energy industry for more than 20 years. We are committed to providing people with a more portable, clean and sustainable way to use electricity. Help to improve their lives, prepare for the unexpected, and power the trips.

Why should I buy a togopower power station?

Togopower power station has covers for all the ports so a little splash of water or some condensation from placing it near the fridge won't bother it much. Provides clean power to meet the special requirements of power supply. It has an easy LCD display to read when adjusting settings and you can keep an eye on the battery charge level.
