

# **What does the new energy capacity expansion battery cabinet include**

## Overview

---

What is a Powerwall expansion unit?

Expansion units offer additional storage for Powerwall 3 systems. Key points about Expansion units include: Expansion units do not have an LED. Wall-mounted Expansion units are installed with the same glass front cover as Powerwall 3, but the logo on the front will never light because there is no LED in the unit.

Are expansion units electrically paralleled with a Powerwall 3?

The Expansion units are electrically paralleled with a Powerwall 3. Expansion units can only be connected to the Leader Powerwall 3 (the unit connected to the Backup Gateway 2 / Backup Switch / Gateway 3 via 12V / CAN wiring; a system can only have (1) Leader).

Are wall-mounted expansion units field serviceable?

Wall-mounted Expansion units are installed with the same glass front cover as Powerwall 3, but the logo on the front will never light because there is no LED in the unit. Expansion units are not field serviceable. Expansion Connection: Expansion units can only be connected to Powerwall 3 or other Expansion units via the Expansion Harness.

Are expansion units field serviceable?

Key points about Expansion units include: Expansion units do not have an LED. Wall-mounted Expansion units are installed with the same glass front cover as Powerwall 3, but the logo on the front will never light because there is no LED in the unit. Expansion units are not field serviceable.

Can expansion units be connected to follower Powerwall 3?

Expansion units can only be connected to the Leader Powerwall 3 (the unit connected to the Backup Gateway 2 / Backup Switch / Gateway 3 via 12V / CAN wiring; a system can only have (1) Leader). Expansion units connected to

Follower Powerwall 3 units (any Powerwall 3 other than the Leader) will not function.

## What does the new energy capacity expansion battery cabinet include

---

### Pylontech battery cabinet up5000

5.5 Put into cabinet or rack \* External cabinet not provided by Pylontech. Scope of Product Certification does not include external cabinets. Put battery modules into cabinet and connect ...
