## Overview

---

Where can I buy solar equipment?

Like wholesale resellers, Amazon is another way to purchase solar equipment directly. Many people commonly purchase solar panel kits from Amazon that include the majority of equipment necessary for getting a solar panel system up and running (i.e., wiring, solar panels, the inverter, etc.).

Where can I buy solar panels?

Like the national companies, installers on EnergySage provide turnkey quotes that include equipment, financing, and installation. If you want to purchase equipment for a DIY project or install a small, portable off-grid system, wholesale resellers or Amazon may be the most suitable option. What is the best place to buy solar panels for you?

Where can I buy a solar panel kit?

Many people commonly purchase solar panel kits from Amazon that include the majority of equipment necessary for getting a solar panel system up and running (i.e., wiring, solar panels, the inverter, etc.). Most solar panel kits are best suited for smaller applications, such as an RV or boat instead of a home.

Should I buy a solar panel system from a large company?

One popular option for installing a residential solar panel system today is contracting through a large solar company, such as SunRun. There are certain advantages to buying a solar panel system from a large solar company.

Should you buy a solar home kit?

More expensive models have more solar panels. These relatively inexpensive kits can save you significant amounts of money on your energy bill. A solar home kit is a great investment to supply your home with clean, renewable

power. SunWatts can help you find and install the perfect solar kit for your home.

Are solar panels a good option for a home?

Most solar panels kits will not generate enough power to cover the electricity bills for a home. However, they are a great option if you are looking to generate power for limited use and/or short amounts of time, like for an RV. Solar panel kits are great for supplying power to places with no access to electricity, at a reasonable price.
