

Which battery cabinets are more common in New Zealand

Overview

What is a lithium-ion battery safety mini cabinet?

This cabinet is designed to ensure the safety and security of lithium-ion batteries while maintaining a cool and dry storage space. The Hazero Lithium-ion Battery Safety Mini Cabinet provides a safe and controlled environment for storing Lithium-ion batteries commonly used in various electronic devices and equipment.

What is a lithium ion battery cabinet?

For larger businesses, this Lithium-ion battery cabinet makes the most of the clever double-wall, sheet steel design, which provides a thermal air defence to slow the advance of any battery fire. Extra space inside gives more storage options for larger batteries (think scooters, e-bikes etc) as well as the charging equ.

What is hazero lithium-ion battery safety mini cabinet?

The Hazero Lithium-ion Battery Safety Mini Cabinet provides a safe and controlled environment for storing Lithium-ion batteries commonly used in various electronic devices and equipment. It is equipped with a lockable door, adjustable shelf and base, easy-to-clean sump, and adjustable feet for stability.

Why should you choose hazero battery storage cabinets?

At Hazero, we specialise in keeping Kiwis safer at work, and Lithium-ion battery storage has been high on our agenda. Our range of NZ designed and assembled storage cabinets are designed to protect your workplace and minimise the risk of faulty lithium-ion batteries igniting and causing serious damage to premises, equipment and people!.

Why should you choose a lithium-ion battery cabinet?

Whether from impact, overcharging, or internal fault, even small battery packs

can pose a significant hazard — especially when stored in bulk. Our Lithium-ion Battery Cabinets are designed to minimise this risk through controlled, ventilated and secure containment.

Where can I store lithium-ion batteries?

Store lithium-ion batteries safely with our fire-resistant, AS/NZS 5139-compliant cabinets – perfect for NZ worksites, warehouses & workshops.
